Tuesday night Mr. and Mrs. James H. Roberts, who live on the bottom road between Nemaha and Brownville, gave a party to their friends. The Masonic fraternity of Nemaha gave a supper at the Minick hall Tuesday night. About one hundred were present, composed of members of the Masonic lodge, their families and invited guests. The program consisted of music and short speeches by Dr. Melvin and Dr. Keeling, and music by a graphophone. Then came supper. The long table was filled with good things to eat, the supper being one of the best we ever sat down to. A good sociable time was enjoyed by all. The Masons certainly understand how to get up a supper and entertain people.

He leaves a wife and baby, a father, mother, three brothers and two sisters. He was aged 26 years, 10 months and 7 days at his death.

The following resolutions were adopted by Olive camp No. 14, Woodmen of the World:

Whereas, The great and supreme Ruler of the universe has in His infinite wisdom removed from among us one of our worthy and esteemed fellow laborers, L. Mather; and

Whereas, The long and intimate relation held with him in the faithful discharge of his duties in this society makes it eminently befitting that we record our appreciation of him; therefore be it

Resolved, That the wisdom and ability which he has exercised in the aid of our organization by service, contribution and counsel will be held in grateful remembrance.

Resolved, That the sudden removal of such a life from among us leaves a vacancy and a shadow that will be deeply realized by all the members and friends of this organization, and will prove a serious loss to the community and the public.

Resolved, That with deep sympathy with the bereaved relatives of the deceased we express our hope that even so great a loss to us all may be overruled for good by Him who death all things well.

Resolved, That a copy of these resolutions be spread upon the records of the camp, a copy printed in THE NEBRASKA ADVERTISER, and a copy forwarded to the bereaved family.
